By BTC PR Department

You've been asking about it, and it's finally here, Season II of the BTC Starmaker Reality Series. We had more than 100 young Bahamians vying to be in the top 16, and we know you've been waiting to see who they are.

In the junior category we've got Valdere Murphy, Erin Burrows, Willicia Charlow, Ashly Loibman, Menie Thurston, Anneisha Jones, Randy Rahming and Annee Wildgoose.

In the senior category, there's Amy Sands, Kingsley Charles, Jenelle Hollingsworth, Alicia Wallace, Jillian Russell, Fanchon Dawkins, Toni Ferguson and Crestwill Farah. Jenelle and Toni hail from Grand Bahama, and Anneisha is a native of Abaco.

We're looking forward to a fantastic eight weeks with these contestants, and at the end of the competition, the next two stars of BTC will emerge.

The premiere of Season II will air on February 9th at 8:00pm on ZNS TV 13. Viewers don't miss out on the excitement. We will be giving away a BlackBerry on each show, and all you have to do is watch and win! Plus, visit our Facebook fan page for details on how you can vote for your favorite contestant.

STAY TUNED FOR DETAILS ON HOW YOU CAN WIN THIS BLACKBERRY TORCH, CELL PHONES AND MUCH MORE...
